

Transportation Safety Manager St. Paul

The SBS Group of Companies is seeking a Transportation Safety Manager to keep us in compliance with DOT and running safely.

SBS was founded in 1997 to provide our customers with airfreight and surface transportation services. With growing demand for additional time sensitive and high service level transportation services reaching across our borders, we are continuing to expand our service offerings in all areas including international import airfreight, ocean transportation, warehousing, and US customs services.

Our mission is Innovation through Collaboration.

The Transportation Safety Manager is responsible for the following:

- Ensure DOT compliance
- Delivery and tracking of safety training
- Hiring and Onboarding of company drivers and owner operators, including all paperwork and road testing
- Ongoing maintenance of driver files
- Be aware of law changes/updates
- Processing of log books via an outside vendor
- Manage auto liability and physical damage claims
- Partner with Shop Manager to maintain equipment and address driver equipment concerns
- Fostering relationships with drivers
- Functional member of transportation management team
- Member of the SBS Safety Committee

This position requires:

- CDL with HAZMAT endorsement
- Clean MVR
- Felony free criminal record
- Impeccable organizational skills
- Ability to handle fast pace
- Attention to detail
- Experience with Truckmate preferred

Hours are standard office hours, M-F. Salary is \$45-50,000 DOQ; benefit eligible.

For consideration, please send your resume to hr@sbs-intl.com.
